

# The Greenbelt

Volume 208, March 2021

## CALENDAR OF EVENTS:

- Board Meetings—March 10, 2021, April 14, 2021 (via Zoom 7pm)

Hello fellow Oak Hills residents,

During these trying times, many of us have been stuck at home trying to make sense of what the future holds. Hopefully this increased time in the community has given you a better appreciation of the place we call home. Oak Hills has always offered an array of features that differentiate our community from others. It is a safe haven for our children and offers tidy walking paths that many of us use on a regular basis. Our facilities are always clean and accessible to our members. We have an amazing greenbelt that offers a buffer zone to the outside world; this gives us an abundance of wildlife and added trails that enable us to connect with nature right out our back doors.

Those of us that have experienced an added sense of pride for our community, have noticed a silver-lining that hopefully adds a layer of comfort and security in the current climate. As a newer member of the OHHA board, I have gained a deeper sense of pride in the members that help shape the comforts that we have grown accustomed to. Every member of the board is a volunteer. We meet officially once a month but we are always in communication with one another as we work to improve and solve problems in the neighborhood. What I have come to know by working with the other board members is that our main goal is to preserve what we love about Oak Hills, while at the same time, we are making improvements that add an even greater sense of security and pride in the community that we are privy to.

About a year ago, I noticed one of our board members wearing a hat that said Oak Hills across the front. Like in Go Dog Go (One of my son's favorite Dr. Seuss books), I asked him, "where did you get that hat?" He mentioned to me that his son had one made for him. I have to say I was a bit jealous. Life gets busy. I have three boys.... I forgot to inquire about how to get one.

With the added time of late, I decided to chair a committee on Oak Hills merchandise. Simply, the goal was to create a shirt that I would wear with pride. With the help of a volunteer and another board member, we were able to come up with some designs that we felt would represent our community with flying colors. I feel we accomplished that goal.

If you head to our Oak Hills website ([oakhillshoa.org](http://oakhillshoa.org)), you will find an added tab entitled "OHHA Merchandise." Click on the tab to view some of the items that were created. You will find that it is rather simple to order one of the created items. Remember that the board members are all volunteers. There is zero profit to the association. In its most basic form, it is a piece of clothing that will hopefully show a mutual feeling of how fortunate we are to live in this beautiful community.

I hope all of you are staying happy and healthy. Hopefully 2021 will bring a sense of added security to us all.

Warm Regards - Michael Kelly, Bluestem Path / Board Member
