Greenbelt article for March 2022

One of the remarkable things about an HOA is the possibility of each household making a difference in their immediate community. Whether you want a policy changed or a new one enacted, improvements to the pool/spa area, the park, playground and surrounding greenbelt, you can have a direct effect to make things better.

Every year the Board has vacancies due to retirements or those loss of those who have moved on with their lives. The OHHA Board has been very fortunate to have active, honest and intelligent people make decisions that can affect every household such as repaving the tennis courts, upgrading the fencing around the pool or simply maintaining control over expenses so fees are rarely increased over the last decade. Imagine that!

An election will be held in May to fill three (3) Board positions this year. The results will be announced during the Annual Meeting on May 3, 2022 via ZOOM. Anyone interested in running for a position on the Board of Directors should submit their name and a brief bio or statement why they would like to serve on the Board to the OHHA Office no later than March 31, 2021. (Yes, you may nominate yourself. Don't be bashful!)

Bios may be emailed to: office@oakhillshoa.org or mailed to: PO Box 689 Castroville, CA 95012. Ballots and voting instructions will be sent out in early April.

The Board currently has 9 members with three vacancies. The more members it has the more can get done and more quickly. There are four officers as spelled out in the By Laws: president, vice-president, treasurer and secretary elected by the Board members every year. Of course, it is all voluntary and can sometimes be demanding but not burdensome. Most importantly it can be rewarding.

Please consider becoming an active member of this fine institution and make your mark on your community.
