POOL AND JACUZZI STATUS

It looks like a “chilly” start for the swimming pool this year. In mid March, once the rains had subsided, the pool was open for the season. Less than a month later, the pool heater broke down. Both the pool and the Jacuzzi heaters are over 25 years old. The Board has decided it is time to replace both heaters with new energy efficient units. Currently, they are in the process of obtaining several bids for the purchase of the new heaters as well as new filters for both the Jacuzzi and the pool. Once the bids are received, the Board will make a decision and commence the replacement of the equipment. The Board hopes to have the work completed as soon as they can. The pool is still open but swimmer beware....the water is COLD!
