Oak Hills Homeowners Association News

The Oak Hills community "Pool Committee" has been busy these last few months working toward their goal of creating a safe and enjoyable experience for everyone using the pool and hot tub. The committee focused its efforts on

- Writing an improved list of rules that better reflected the needs of the people
- Establishing board policies that would make it easier to enforce the new rules while also making board actions more accountable and transparent
- Improving the physical security at the pool.

The pool rules that have been published are a product of the committee's hard work. The Oak Hills Homeowner's Board voted to adopt them at the April meeting. The policy portion of the committee's work has yet to be voted on. When this next step is accomplished, presumably in the next couple of months, homeowners will be required to sign that they have received notice of the pool and policy changes. Failure to sign will result in having your pool security card voided.

Members of the Oak Hills Pool Committee are Jackie Lonero, Peggy Scoggins, Laurie Butterfield, Renate Harvey, Cathy and Richard Garza, and Cynthia Suverkrop.

A copy of the new pool rules may be found on the website: www.oakhillshoa.org
