Volume 137

July 2009

Do YOU have your Pool Key?

Ahh, summer is here and the weather is great. Time to take a swim down at the pool. Do you have your new pool card key? New card keys to the pool and hot tub area became available for pick up last year. If you have not gotten your new pool card key, don't wait any longer. Please call Steve at the office 633-0103 to arrange a time to pick up your key. You will have to sign a form when you pick your key up.

Tennis Anyone?

Yes, but the courts are not in that great of shape.... The Board realizes that the tennis courts need to be resurfaced, rebuilt, removed, redone.... Change is in order and that is where you can help. Tom Dominy is heading up the Recreation Committee. This Committee was formed to come up with ideas and solutions to the tennis courts and present them to the Board. Some ideas already have been to create a multi-purpose court which would include basketball courts. Whatever your thoughts and ideas are, Tom will love to hear from you. Please give him a call at 383-4422 if you would like to join the Committee or give your thoughts.

Greenbelt Seeks Editor

The Greenbelt needs an Editor. The Board is looking for an individual willing to volunteer his/her time to this fun project of keeping the Oak Hills residents informed about topics of local interest and Oak Hills Homeowners' Association business. If you are creative and enjoy writing, then this is your opportunity. You will need to be able to research local items of interest, attend the monthly board meetings and be able to write and compile the Greenbelt for publication using Microsoft Publisher (software and training are provided).

If you are interested in applying for the Greenbelt Editor, please send an email to: office@oakhillshoa.org.
