A RASH OF BURGLARIES IN OAK HILLS

Recently, we have had a significant increase in the number of burglaries in Oak Hills. The burglaries were occurring during the day, many between the hours of 10am and 2pm. The suspects have been described as young white male teenagers. One of them will knock on the front door to determine if there is anyone home. If not, they will hop the fence into the backyard and enter the house through an open door or window. The police have arrested a group of young male adults associated in an Oak Hills burglary. Even though there has been an arrest does not mean that there will not be any more burglaries. What can you do to help stop these actions? Keep your windows and doors locked at all times. If you see suspicious activity or see anyone climbing over a fence, call 911. If you are unfortunately a victim of a burglary or theft, please contact the OHHA office so that we are aware of the happenings in the neighborhood.
