TAMC COMMUNITY MEETING

Please join the Transportation Agency for Monterey County (TAMC) State Route 156-Castroville Boulevard project team at a community meeting to discuss and review the schedule and designs for the new SR 156/Castroville Boulevard Interchange. The goal of the project is to improve safe travel, local circulation, and reduce congestion by replacing the existing signalized intersection with a new interchange. This new interchange is the first of three segments of the full SR 156 West Corridor project to enhance the SR 156 corridor between Castroville and Prunedale. The meeting will be held on Monday, September 10, 2018 at 6pm at the Castroville Public Library 11160 Speagle Street, Castroville.

This community meeting is intended to provide an informal opportunity to meet with the project team to review and discuss the schedule and designs for the new interchange.

Transportation Agency staff will also present the designs for the new interchange to the Transportation Agency for Monterey County Board of Directors at their 9:00 a.m., September 26, 2018 meeting at the Agricultural Center Conference Room, [1428 Abbott Street, Salinas, CA 93901](#)
