## WHAT ARE THEY BUILDING IN THERE?

By Cynthia Suverkrop

Construction workers, PG&E trucks, and plenty of markings on our Oak Hills streets... make one wonder what they're doing here. Well curious minds have asked. According to a spokesman from the Charter Cable Company: ***“Charter is currently in the process of upgrading our network in Oak Hills and the surrounding area. These upgrades will enable us to deliver enhanced service offerings to both residential and business customers. We plan to offer Spectrum TV, Internet and Voice in the near future. Details about exactly what will be offered and when it will become available will be shared as that information is confirmed at a later date.”***

So folks, improved digital services are coming to our neighborhood. Stay tuned.

## OAK HILLS RESIDENT HONORED

Oak Hills resident Fernando Brodrick Jr. has been recognized as one of the 2017 recipients of the Veteran of the Year Award by the Monterey County Military and Veterans Affairs Commission. Each year this County Commission selects up to 12 veterans whose post-military activities have provided outstanding volunteer service to the community.

Mr. Broderick served in the U.S. Army from 1968 to 1971. Subsequent to his military service, he has served many years as volunteer delivering meals to the less fortunate on behalf of the *Pass the Word Ministries*. In addition, Mr. Broderick spends countless hours volunteering at the *Monterey County Food Bank* sorting and preparing incoming food products for distribution to the many non-profit agencies serving hungry people throughout the County. He also helps prepare food trays for the needy and is considering becoming one of the *Food Bank* drivers.

This award will be presented at a luncheon on November 4.

# FIRE PREVENTION

By Cathy Garza OHHA Board President

I am sure that we have seen the destruction caused by the fires in Santa Rosa and other parts of California. The Board has brought in Cal Fire to do some fire preventative work in several of the greenbelts around Oak Hills. We are striving to have some form of firebreak behind homeowners' property lines. Be sure and do your part in preventing fires. If you smoke, make sure that the butts are not just tossed to the ground. We would hate to see anyone's home damaged due to a careless act.

## POOL CLOSING FOR THE SEASON

The pool will close for the season on November 5th. We thank all of those who follow the rules while using the pool and spa. Following the rules helps keep maintenance costs down. The pool is scheduled to reopen on Sunday, March 11, 2018.
